Welcome to ETCEA2022

The 1'st International Conference on Emerging Trends in Computing and Engineering Applications (ETCEA2022) with technical sponsorship of the IEEE Jordan brings together academics, engineers, and industry professionals to exchange information and ideas on Computing and Engineering Applications.

All papers will be subject to single blinded reviews and accepted papers will be submitted for inclusion in IEEE Xplore. Authors of selected papers will be invited to prepare extended papers for possible publication in the following journals:

1. International Arab Journal of Information Technology "Scopus Indexed".

2. The Jordanian Journal of Computer and Information Technology JJCIT "Scopus Indexed".

Scope and Interest

Track 1: Artificial Intelligence.

Track 2: Cyber Security.

Track 3: Networking.

Track 4: Software engineering.

Track 5: IoT and Fog Computing.

Track 6: Data Science.
