The 2023 Second International Conference on Informatics (ICI) aims to provide a leading international forum for researchers, scientists, and industry professionals who are working on next generation informatics. ICI-2023 is organized under the leadership and joint vision of the Department of CSE & IT, JIIT, Noida (outskirt of Delhi, India) & Prof. Sartaj Sahni, University of Florida, USA. The conference will give a platform to showcase methodological and technological advancements in the emerging areas of IOT and smart systems, Big Data, AI & Machine learning, Cloud Technology, Software Development, etc. ICI-2023 will be conducted in virtual mode.

### Topics include

**Track-1:** Artificial Intelligence & Machine Learning

**Track-2:** IoT, Smart and Embedded Systems

**Track-3:** Cloud & Distributed Computing

**Track-4:** Big Data & Data Analytics

**Track-5:** Software Development Engineering

### Important Dates

**20<sup>th</sup> August 2023**  
Full Paper Submission

**8<sup>th</sup> October 2023**  
Author notification

**22<sup>nd</sup> October 2023**  
Final Camera Ready  
Submission

### Submission Guidelines

ICI-2023 is soliciting the submission of papers with significant research contributions to the field of informatics research. ICI uses EasyChair system for submission of papers and review process. Prospective authors should submit their papers online. Unregistered authors should first create an account on easy chair to log in. For more details please visit conference website: <https://iciconference.org/>

Papers should strictly adhere to the IEEE Conference formatting requirements using the templates available at <https://www.ieee.org/conferences/publishing/templates.html> (Use the A4 (DOC, 30 KB) format updated Jan 2019). It should not exceed 6 pages including references. Word Template File is also available on the conference website for author's convenience. Authors must adhere to IEEE plagiarism policy. .

### Presentation and Registration Requirements

ICI-2023 has a requirement that at least one of the authors of any accepted paper must register and present the paper at the conference in online mode. Any paper that is not presented by an author of the paper will be withdrawn from the proceedings and thus from IEEE Xplore. Conference Proceedings of ICI-2022 was published in IEEE Xplore.

**Conference location:** Jaypee Institute of Information Technology, A-10, Sector-62, NOIDA (Outskirts of New Delhi), India
