Submission

Online Submission Portal: <https://easychair.org/conferences/?conf=ir26>

Submissions must include the following components:

- **Abstract (500–1,000 words):** Provide a detailed summary outlining the research question, methodology, key findings, and relevance to the panel theme. This should demonstrate the originality and significance of the proposed work.
- **Author Biography (500 words):** Submit a comprehensive professional biography of the author(s), emphasizing academic credentials, research expertise, notable publications, and contributions to the relevant field.

Note for Presenters:

- **Presenters who wish to attend the conference are responsible for covering their own expenses, including travel and accommodation. The conference organizers are unable to provide financial support for attendees.**
- **Submissions must be original work, not previously published or under consideration elsewhere.**
- **Articles may be authored by multiple contributors with no restriction on the number of authors.**
- **If you utilize artificial intelligence (AI) during the writing process, please clearly indicate its use and provide a detailed explanation of how it was applied.**

Timeline

Abstract
